Pex Crimp Tool Series

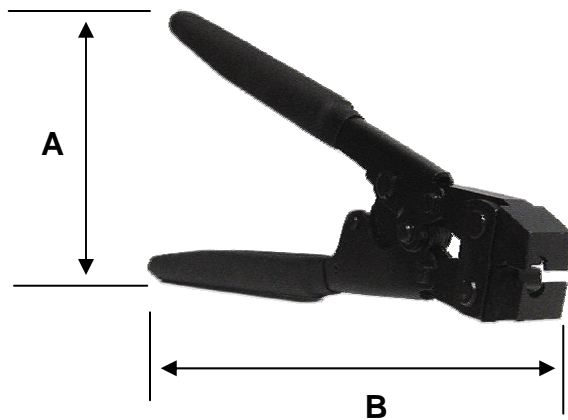

Dual Jaw Heavy Duty Pex Crimp Tool
3/8" - 1"

Model:

PCTDJ

Features:

The new Raven Products Dual Jaw Heavy Duty Pex Crimp Tool has the straight jaws and the side jaws on the tool head. The side jaws are mainly for the tight space where the tool has to be positioned vertically. The tools apply to F2098 Oetiker style pinch clamps from size 3/8"-1". The terminal gap of the jaws and the average neck dimensions of the clamp after installing are the same as the heavy duty clamp tools.

Dimensions:

MODEL	DIMENSIONS
