

Introducing Logan's Tool

a plumber's dream tool!

Logan's tool cuts **PVC and ABS pipe**, (*works best on foam core*) without any burrs on edge being cut.

Logan's tool comes with **12 extra blades**.

Available in 2 sizes; 1 ½ & 2 inch

Place over pipe, pull down and blade will puncture pipe. Rotate tool around pipe to make an easy, clean cut.

Blades will be available for replacements.
